Umberto Ecolm Wald der Fiktionen. Sechs Streifzüge durch die Literatur

Es war einmal … „ein König!", werden meine lieben Zuhörer sofort sagen. Richtig, diesmal habt ihr's erraten. Es war einmal der letzte König von Italien, Vittorio Emanuele III., der nach dem Zweiten Weltkrieg ins Exil geschickt wurde. Dieser König stand im Ruf, ein Mann von geringer humanistischer Bildung zu sein, mehr an wirtschaftlichen und militärischen Fragen interessiert, wenn auch ein leidenschaftlicher Sammler alter Münzen. Eines Tages, so wird erzählt, musste er eine Gemäldeausstellung eröffnen und war also gezwungen, durch die Säle zu gehen und die Bilder zu bewundern. Vor einer idyllischen Landschaft, die ein liebliches Tal mit einem Dorf am Berghang zeigte, stand er lange betrachtend, dann fragte er den Direktor der Ausstellung: „Wie viele Einwohner hat dieses Dorf?"

Question with box

Shakespeare's plays were immediately big hits! He wrote different kinds of plays, all of which could be divided into three categories:

- Tragedy – including Hamlet, Othello, King Lear and Romeo and Juliet
- Comedy – including Twelfth Night and the The Taming of the Shrew
- History – including Henry IV, Henry V and Richard III

Plays in Shakespeare's time were different to the ones we have today. There were no female actors (women's parts were played by men!), and audiences could be very rowdy. They would shout, boo and even throw food at the actors they didn't like!
